

**GOVERNMENT OF TRIPURA
OFFICE OF THE ASSISTANT ENGINEER
DWS SUB-DIVISION PANISAGAR
NORTH TRIPURA**

WATER QUALITY & SANITATION CERTIFICATE

This is to certify that the drinking water sample collected from Panisagar H.S. School, North Tripura on 17.08.2026 and tested at the District Level Water Testing Laboratory, Drinking Water and Sanitation, Dharmanagar, North Tripura.

As per the Test Report dated 20.08.2026, the tested parameters including Turbidity, pH, Odour, Taste, Colour, Total Dissolved Solids, Total Alkalinity, Total Hardness, Iron and Chloride were found within the permissible limits prescribed under BIS 10500:2012.

Accordingly, the water sample tested is fit for drinking/domestic use with respect to the parameters tested.

This certificate is issued on the basis of the above-mentioned laboratory test report.

Place: Panisagar

Date: 25/08/2026

Assistant Engineer
DWS Sub-Division, Panisagar
North Tripura
